The Class of 1979 dedicates this, their most important project, to a very special person - Mrs. Henry, for whose unfailing support we are grateful. She has worked her way into the hearts of every student in the senior class. By giving her time and effort, she has made our years in this high school profitable and pleasurable. She always manages to find time in her hectic schedule for any undertaking by the senior class. Mrs. Henry, to you, we dedicate this yearbook.

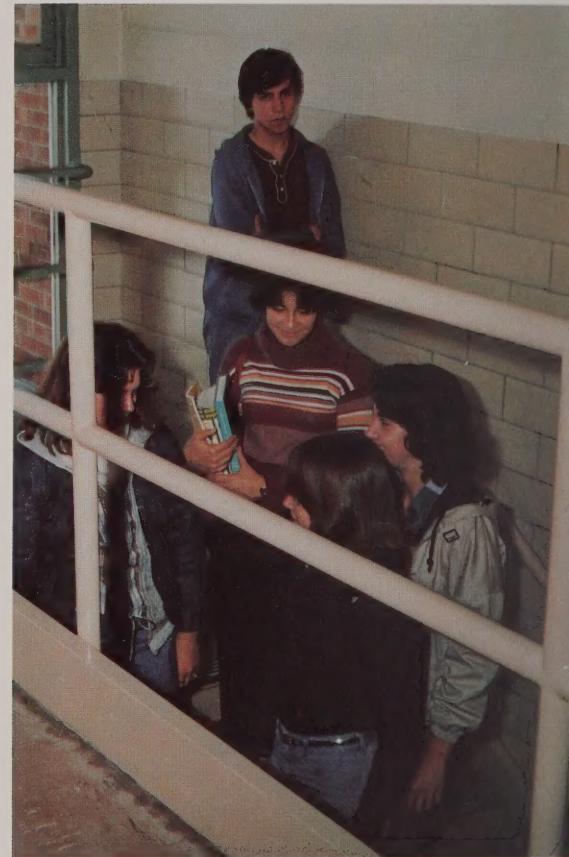

TIME TO GET UP

Each Morning We Awake
With A Familiar Routine Awaiting Us.
Slowly, With Half-Opened Eyes,
We Acknowledge
The Beginning Of A New Day.

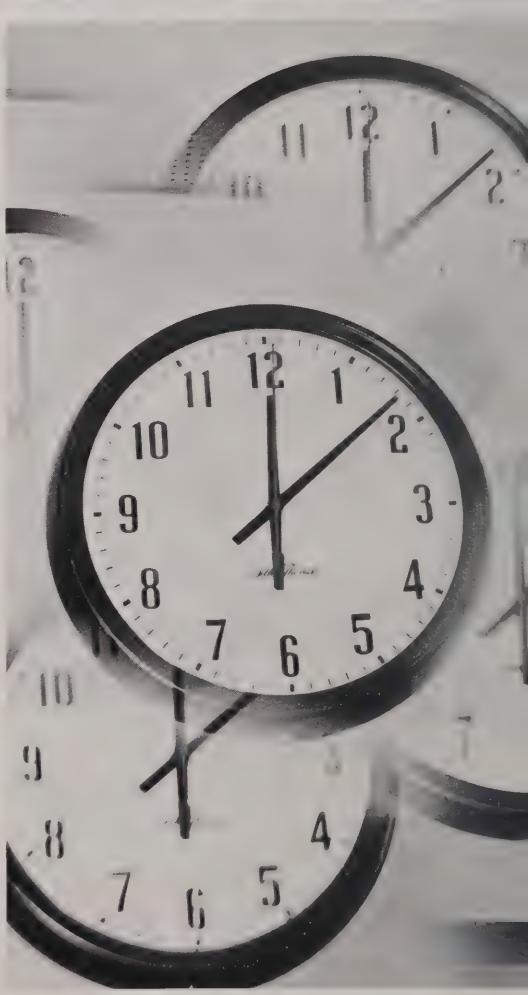

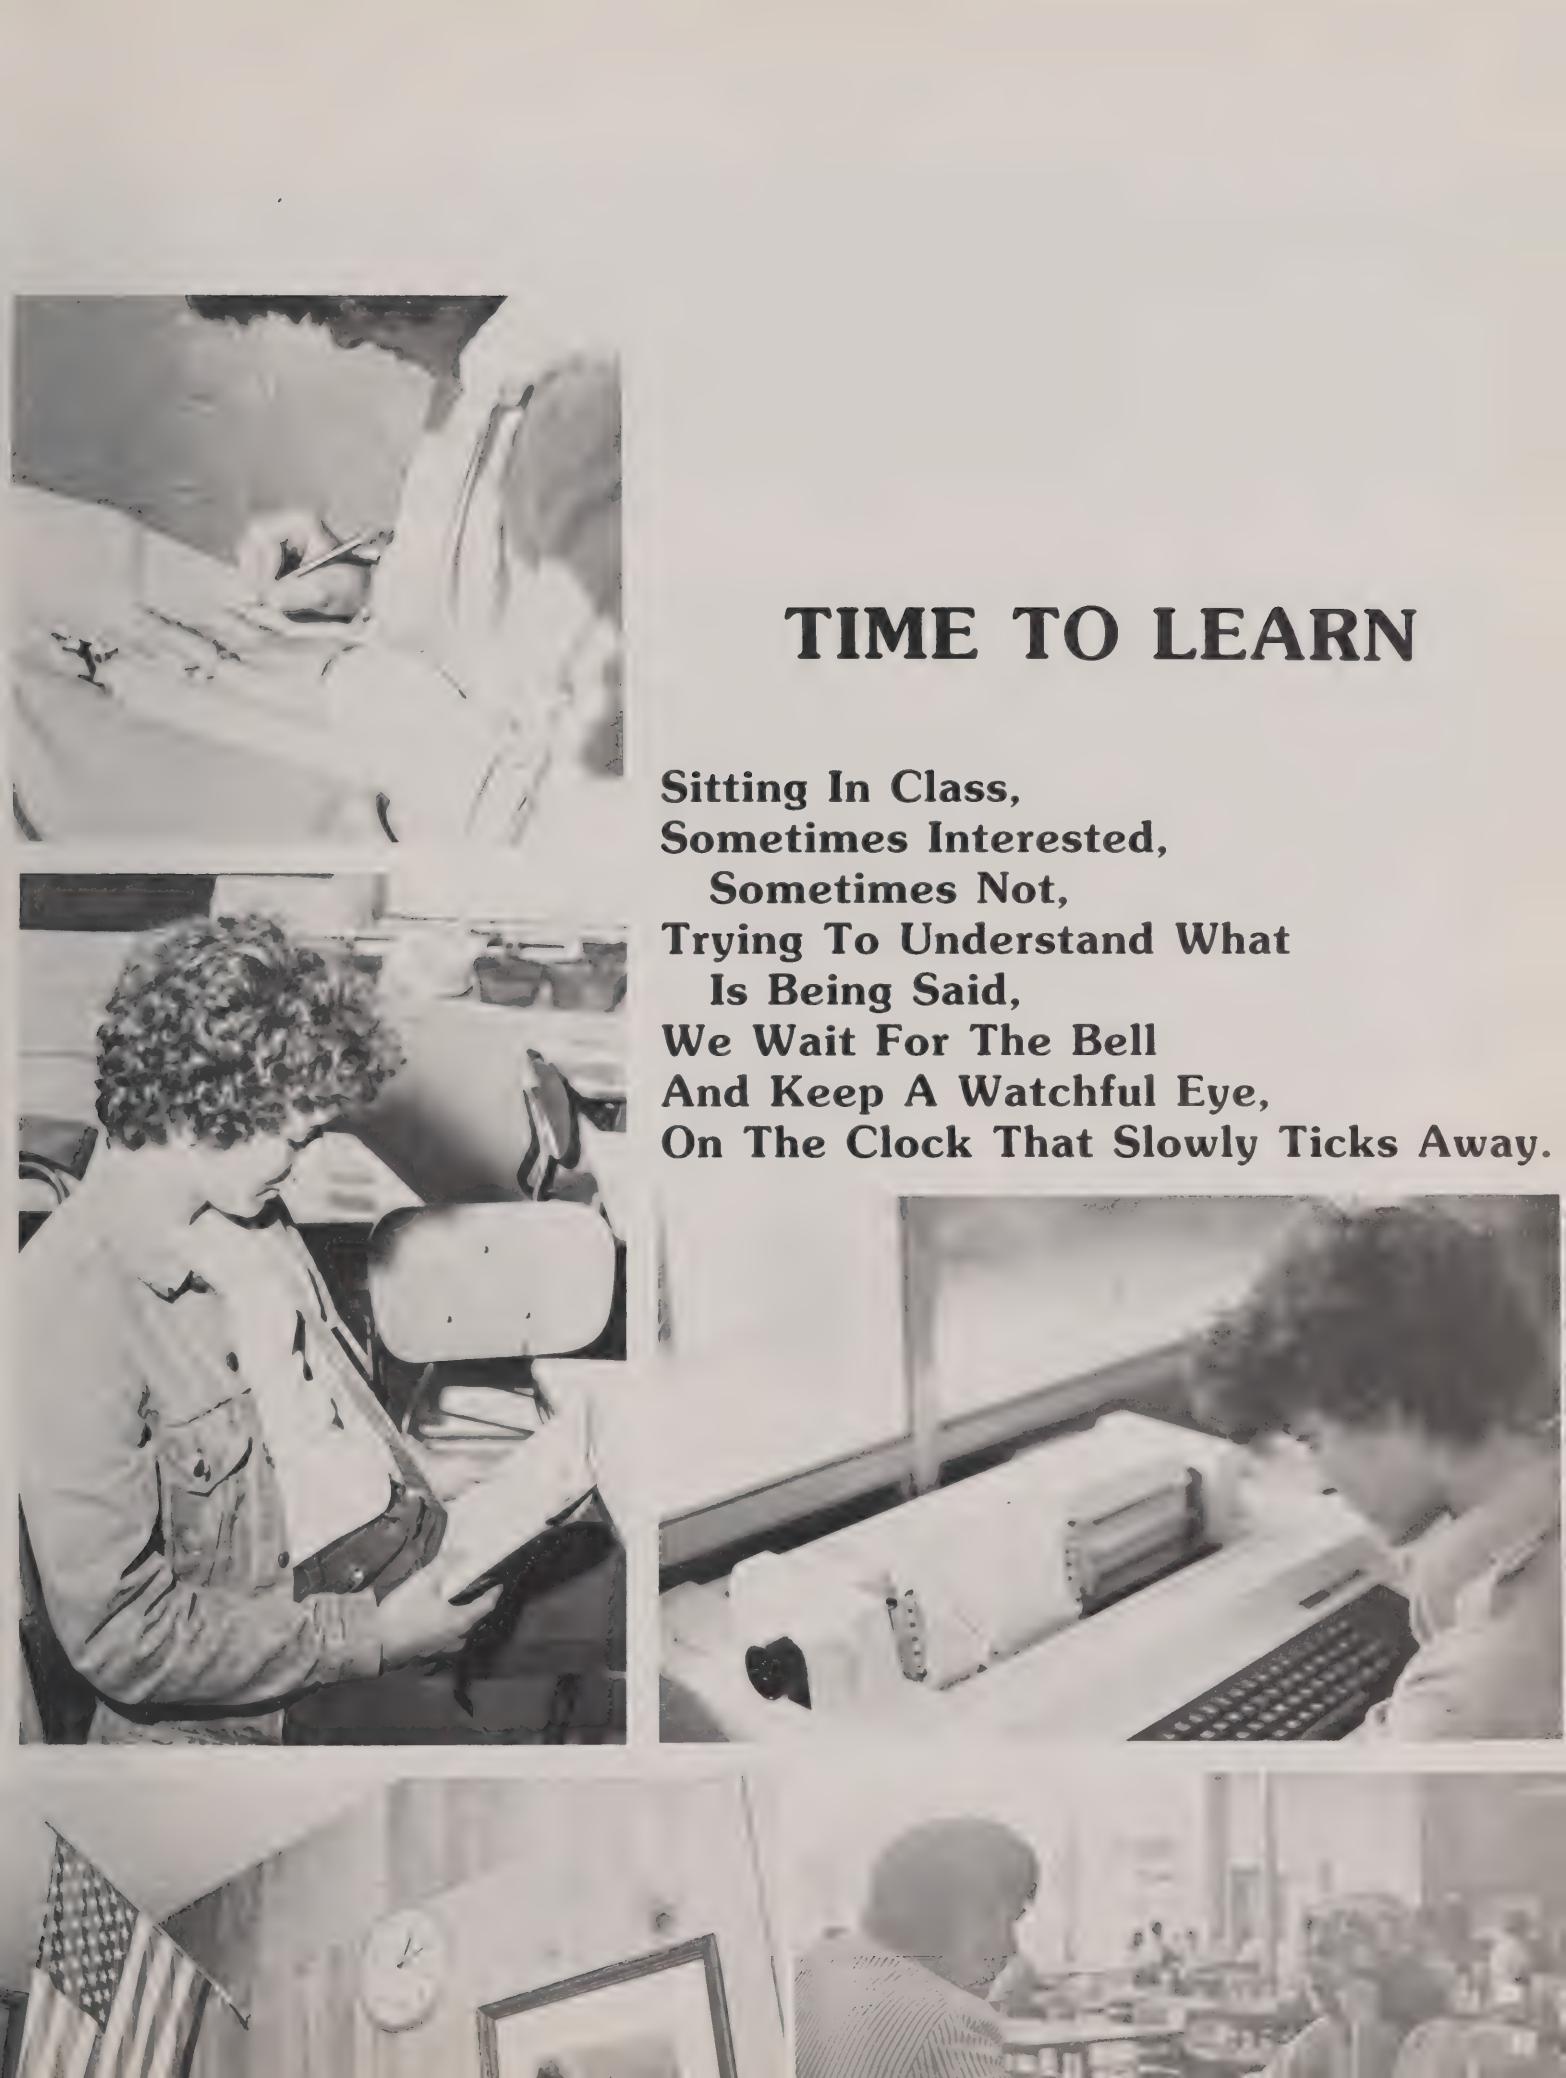

TIME TO ARRIVE

AS WE LEAVE THE CARS AND
BUSES BEHIND,
SO, WE TURN OUR THOUGHTS
AWAY FROM
FAMILY AND HOME
TOWARDS THE FRIENDS AND
EXPERIENCES
OF ANOTHER SCHOOL DAY.

TIME TO LEARN

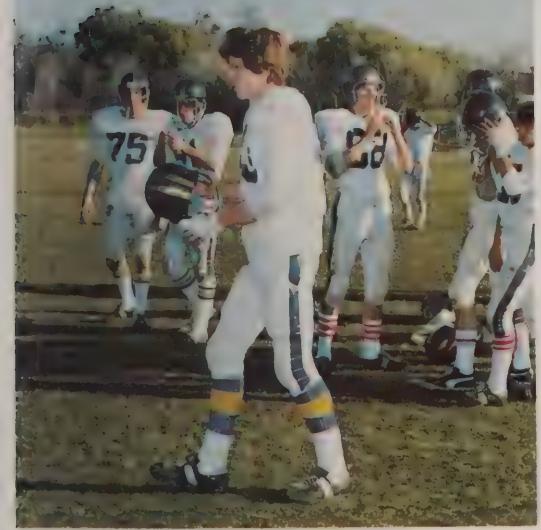

**Sitting In Class,
Sometimes Interested,
Sometimes Not,
Trying To Understand What
Is Being Said,
We Wait For The Bell
And Keep A Watchful Eye,
On The Clock That Slowly Ticks Away.**

TIME TO PLAY

**After School, We Can Express
Ourselves
Through The Challenges Of
Competition,
Or The Pursuing And Exploring Of
Interests.
It's A Time To Enjoy Freely -
With Friends And Coaches.**

TIME TO MAKE FRIENDS

**Good Times We Cherish
By Sharing With Others,
The Conversations Of Today,
Memories Of The Past,
And Dreams For The Future.**

301

TIME TO RELAX

**And When It's Over,
There's Time For Ourselves,
And Time Spent With Others
At Our Favorite Places,
With Our Favorite People.**

Time-
A One Way Clock
Ticking Away Our School Days;
Days That Casually Pass By
Into Memories Of Yesterday,
Into Time Gone Forever,
Into Tomorrow For New Beginnings.

SUPERINTENDENT

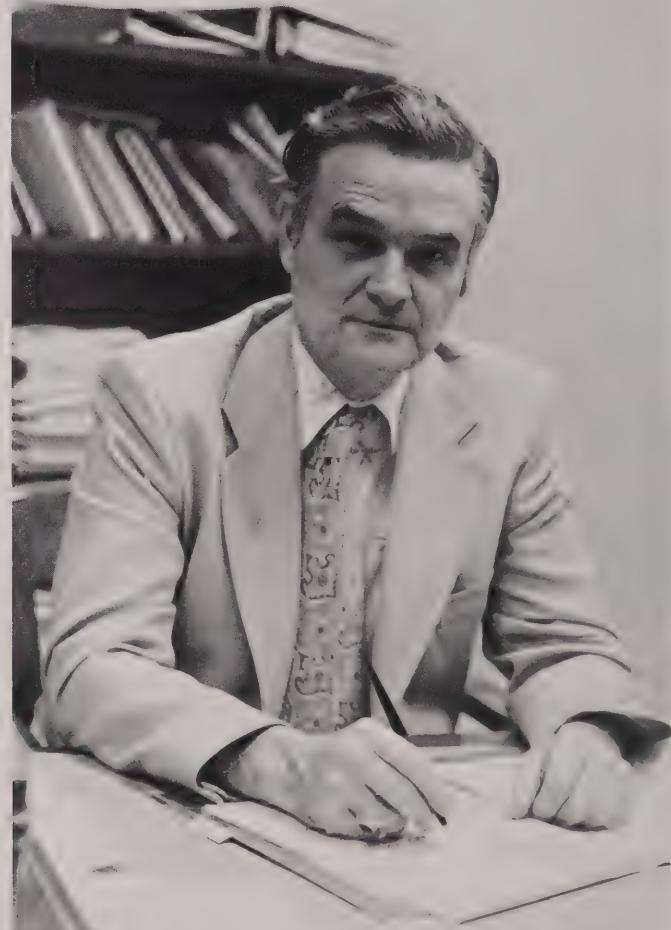

Dr. John P. Collins
Superintendent Of Schools

Dr. John P. Collins became Shrewsbury's Superintendent of Schools in July, 1978. The system was honored to welcome him because of his wide range of experiences and qualifications. He had previously received his doctorate degree in Administration and Supervision in 1973 from Boston College. His former work experiences included Principal of Holliston Public Schools in 1962, then Assistant Superintendent in 1966. In 1973, he became the Superintendent of Schools in Mansfield.

Dr. Collins is a man of high achievement. This has been evident throughout the years, especially when he received the Holliston School Committee Award for Outstanding Service in 1973, and passed the Boston College Doctoral Comprehensive Exam with Highest Distinction. Also, he completed the Boston Marathon in 1970.

Shrewsbury is pleased to have him as their Superintendent and looks forward to many successful years of his service. With such a background, he'll have many innovative ideas.

Mr. James J. Dorsey, Jr.

James J. Dorsey, Jr., Coordinator of Pupil Personnel Services, can look back with pride on 22 years of work that has brought help to countless students. He began at Shrewsbury as the first full-time Guidance Counselor in 1956. Gradually, his staff expanded and today, includes 41 members.

One of his first projects as Coordinator, was to establish a system-wide testing program and information folders for the entire school population. Also he has aided in the formation of many important programs, including classes for the dyslexic, prevocational education classes for special needs children.

We wish Mr. Dorsey the best of years to come in appreciation for his 22 years in the Shrewsbury school system.

Outstanding fullback Bob Clarkson sends one airmail.

Knute Rockne alias Dennis Hursey, gets the team UP.

"Come At ME"!

This years soccer team, like years past, was a good representative of Shrewsbury High. Led by Co-Captains Rich Wackell and Tom Decker they lost only 6 of the 16 games on their schedule and constantly fought with the never-say-die attitude.

Tim "Tip" Horan, Dave Whitney, Jim O'Leary, Rich Wackell, Kevin Kenefick Tom Decker, Bob Clarkson, Paul Richard, Pat O'Conner.

The sterling Shrewsbury defense comes to the rescue.

Under the leadership of Captain Fred Lonardo and outstanding enthusiasm among the rest of the team, they managed to pull off one of their usual upsets. In only his second year at the helm Mr. Hochstein has brought together a underclassmen team and molded them into a tough, aggressive ballclub. A slow start hurt the Colonials chances for District play but they came into their own as the season progressed. Led by Captain Rich Wackell, they earned the respect of many teams in the area and always went down fighting.

Here is what happens to you when you catch a crab during a race.

The Crew Team had to overcome many obstacles last season. A delayed start because of ice on the lake, a collapsed boat house, and some damaged shells were only a few of their troubles. Despite these problems the girls varsity four were the petit New England champions, a great achievement since the competition is against all private schools. This year, led by captains Mike Louiseau and Laura Stephens, the team had a good season.
